AAF					

1. Injinerna Rabotilnitza is the largest repair workshop in the country for internal combustion engines and vehicles. During 1946, more than 3,500 military vehicles and tanks were repaired there. All necessary spare parts can be manufactured in the workshops.
2. More than 30,000 weapons of different forms and calibers were also repaired in 1946 - pistols, rifles, machine guns and light artillery.
3. The Injinerna Rabotilnitza foundry casts thousands of spare parts. This factory probably ranks second only to Kazanlik in its activity.
